## RE: TITLE TRANSFER/CERTIFICATE OF ORIGIN

## Dear Customer:

Enclosed are all necessary paperwork for the vehicle you recently purchased. At the time of purchase you chose to do your own title work. In order to secure your documentation showing ownership, please do not hesitate to do the title work at your local DMV. In the case of trade-ins and purchases there is usually a couple different transfers of ownership. If this paperwork is lost, stolen, or destroyed, it will be very difficult if not impossible to recreate the necessary documents to title in your name. Also, titling is the only sure way to be able to get a duplicate document in your name, if needed.

We are so glad to have done business with you. If we can help with anything, please feel free to call.

Thank You,

Pat Sessums, Title Clerk
