

ROBERT FOX SEMINAR

OCTOBER 1st & 2nd 2011,
9-5 Saturday and 9-3 Sunday, at Casa Grande, Arizona

Robert was attacked **ten times** by the "*authorities*", U.S. State Department, F.B.I., A.T.F., I.R.S., U.S. Customs, U.S. Marshals and I.N.S. attempting to imprison him for 100 years. **The "*authorities*" lost every time.**

Robert will show the actual evidence of his winning cases such as *U.S. vs. Fox* 766 F.Supp. 569, as it was cited at 18 USCA §1546(a) until Congress **changed the law**. Robert can verify the **unanimous win** on a Habeas Corpus at the Texas Supreme Court, as well as other Habeas Corpus wins. Robert filed one affidavit and won a **federal felony case** so fast that the prosecution didn't have a chance to take the case to the grand jury. Amazingly, even where there is a law clearly violated, such as 'FAILURE TO IDENTIFY', **Robert has won at the prima facie break!**

Reverend Austin Miles said: "He [Robert] knows the 'Allocution' procedure which **I used at the sentencing** and **walked out of the court** when they were going to jail me on the spot". Robert has coached people in state and federal cases, whereby they walk right out of the courthouse at their sentencing because **going to prison is voluntary** and **they knew what to say**, and **did not get tricked into "volunteering"**.

Robert FOX will share his knowledge and experience of litigating civil and criminal cases, overcoming slick shyster tricks, making Habeas Corpus more effective, showing cause, offering of proof & lawsuit tactics, as well as how to bond out for free in most cases, or how to deal with mental competence challenges, agency, beating contempt, Allocution and more...

If you want to learn all the above, or how to take any police officer, deputy sheriff, FBI agent, IRS agent, attorney, or judge, and get them on the record to realize that they do not have enough years left in their lives to do the prison time they have so diligently earned, come and learn **how**, and **what to say**, and do, when **YOU become the target** of the "*public servants*".
