# FORWARD

I definitely thought everything was fine. I lapped every underlying philosophy that was pumped into my head from as far back as my earliest remembrances. All the ones that strategically and systematically robbed me of my self-confidence and my ability to independently analyze and judge concepts and ideas for myself.

“Be good, or you will be punished (beaten or spanked, grounded, loss of privileges, etc. or, heaven forbid, sent to burn in hell for all eternity!) But what happens if you are just having a bad day?

Get good grades, be the teacher’s pet...

Get a good education, get a good job, work hard, pay your bills, pay your taxes, don’t rock the boat....

In other words, BE AFRAID!! Be so afraid that you never question anyone or anything that you can’t beat up! This idea really gets tougher after you get out of grade school.

In other words, do what you are told without question, do not interfere with the machine, don’t challenge, and just go along for the ride.....

One day, when I was 17 and a Senior in High School, just captained our wrestling team to it’s first and only state title, I was sitting on a back stairway of the school with my girlfriend. Some male teacher saw us, ran up the stairs ranting at us being in an “off-limits area”, demanded our student ID’s, which my girlfriend handed over, and threatened us with expulsion from school. My girlfriend, an ‘A’ student, Homecoming Queen, Captain of the Synchronized Swimming Team, and a good “Jewish girl”, was hysterically thrown into tears.

He demanded that I hand over my ID again, holding out his hand. Something in my mind “snapped”. I looked at the teacher holding my girlfriend’s hand and trying to console her while this “authoritarian freak” was continuing with his threats and his demands. It didn’t matter that I was much bigger than this teacher. He didn’t seem to be the least bit concerned that I could easily dispatch him in less than 5 seconds.

What stunned him was when I looked him “square in the eyes” and said in very loud and firm voice, “We will see you in the Principal’s office right now!” We walked briskly to the Principal’s

office, past the secretary, and right into the office of Mr. Farinacci with the outraged “authoritarian” right behind us.

“How’s the Captain of our State Champions?”, he said with a big welcoming smile. Immediately the teacher darted around my girlfriend and I, obviously not hearing the greeting and all “redfaced” began to levy the charges of insubordination, disrespect, and school violations. His conclusion was that we both be suspended immediately and escorted off the school grounds.

Mr. Farinacci was a former marine and a boxer, who was in his early 60’s. He was of Italian descent, slightly balding with gray hair, and a little overweight at 220 lbs. Everyone knew he was a strong disciplinarian, but he was very fair. No one messed with him. Over the last year and a half he and I had several conversations about sports, boxing, wrestling, my future, and the fact that I, my younger sister and brother were 50% of the Hispanic population in a student body of over 1800 students. Mr. Farinacci and I had always gotten along well. He stated on previous occasions that if I ever needed anything or any help to come to his office. I had never taken him up on his offer until this moment.

Mr. Farinacci, looked at the teacher, whose name I do not recall, told him to sit down in the chair to the left front of his desk.

He then said, “Anything else, Mr. So and So?”.

“Yes! There is! This punk refused to give me his ID!” Still red in the face.

Mr. Farinacci got up from his chair and walked out of his office to his secretary and obviously made a request. He returned to the office, my girlfriend was still crying uncontrollably, both of us still standing when the secretary brought in 2 files and handed them to Mr. Farinacci. He thanked her and she departed and closed the door. Without even glancing, Mr. Farinacci handed the files to the teacher and said, “Please look at these”.

I could see the names on the tabs of the files. Yup...they were mine and my girlfriend’s. I imagined that the expression on his face changed as he read the accolades in our file. He realized we had virtually no absences during our high school enrollment, were in Honors Level Classes, were members of the High School Tutors for math, science, Spanish, and English, on the graduation committee, etc., etc. Yes, we were THE model High School Students!

Mr. So and So, did not lose his resolve, but was definitely calmer when Mr. Farinacci asked,

“Are you sure you are referring to these two students?”

Mr. Farinacci did not take his eyes off the teacher as he looked over at us. I took the opportunity to intentionally glare at him as my girlfriend continued to sob. My mind was racing

because I did not know what to expect. Every synaptical connection in my brain was firing and I was emotionally unnerved. He is the AUTHORITY and we are just students.

Mr. So and So, composed himself and took a deep breath, paused, looked over to Mr. Farinacci and said, "The rules are the rules".

Mr. Farinacci looked over to me and said, "Fred what's your side of the story?" So I recanted how we were sitting there on the back stairs, talking, between classes. No signs were posted stating that we couldn't be there and it was not during any of our class time. I was really nervous as I was talking. It felt almost like an out of body experience (which I have never had).

Mr. Farinacci asked the teacher to hand over my girlfriend's ID which he did and it was immediately handed over to my girlfriend. She sobbed less as she said "Thank you". Mr. Farinacci then handed a small book over to Mr. So and So and asked him to read aloud from some page I do not recall. It was the teacher's handbook regarding rules of conduct involving students. I had no idea that such a thing existed! This teacher had about 5 violations of conduct in this one instance! I was stunned!

Mr. Farinacci informed Mr. So and So that my girlfriend and I could bring charges against Mr. So and So, the school, and the School Board for these violations. Mr. Farinacci mentioned that he thought it best if Mr. So and So would extend his sincere apologies to us and request that we do not proceed with this matter. Mr. So and So apologized and was incredibly pale in the face as he did so! What a victory!

Mr. Farinacci looked over to my girlfriend and I and asked if we had any further comments or questions. My girlfriend of course just nodded in the negative. He looked at me and said, "Fred...be honest".

I couldn't think of anything. I was trying to, but I couldn't. Then...it just came out...

"Well...I would like to beat the crap out of him". Oh my! What did I just do? Is this a threat of violence? I am doomed!

Mr. Farinacci just smiled. He glanced over to the teacher and stated,

"Now that you know that we have rules, Fred, if any teacher accosts you in this manner in the future, you have the right to defend yourself by whatever means necessary". The teacher remained in the chair and we were excused. I have no idea what followed, but I am sure that it wasn't pleasant for Mr. So and So. I had rights!!! I stood up!!! I was victorious!!! I think I told the entire student body over the next several days!

It was at that point over 30 years ago that I began to wonder if things were as they appeared. Teachers always presented themselves as not only being above the law, but the law itself. It has been an interesting journey to say the least. It took some time but I finally figured out who was and who wasn't "over" me.

As time has passed, I have become more and more unconventional. From being a "good employee", to challenging their authority over me, to battling with the IRS, traffic tickets, occasional financial challenges, negotiating settlements, etc., etc. Through it all, bits and pieces of an even greater conspiracy have come to my attention with a nagging thought, "There has got to be a solution to this mess besides death."

How in the world did I get so many "bosses"? It seemed like every business, bureaucracy, policeman, whomever out there had the right to create whatever grief in my life they felt disposed to do under their policies, procedures, laws, or what have you, and I have to endure the abuses or suffer the consequences. It just didn't seem right. It just didn't seem to fit. Why and how could so many move from a system of self-governing sovereignty to one of whimsical "compliance"? Why would our founding fathers breakaway from this type of a system of "control" from England and, at the same time, set the foundation to have it recreated at a later date? Something is seriously wrong here.

Finally, I came across "sovereignty". Hours and hours of viewing videos, researching materials, validating that which I could, and knowing to trust my intuition, I came across the solution(s). In this context I will present limited background information and process. This definitely will not be an exhaustive presentation, but it will provide the reader with preliminary information that may help one address some unresolved issues with the day to day reality of life. I will provide video links and resources so that you can have the same information to study and research that I have had so that, hopefully, a similar understanding can be generated.

In life, everything is "timing". If it is not today, overtime and experience, I am confident that this seed that has been planted in your mind, will take root and you will "take the red pill to see how deep the rabbit hole goes". (Hope you have watched "Matrix"). Your only subsequent obligation is to become a brighter beacon of light to make this existence easier for others.

**All Men come to the point where they can no longer make excuses for doing that which is unjust and overlook the injustice done by others.**

# A Little History – Time to Wake Up

We are born. We are all clueless at this point. We are at the mercy of our caretakers. Then, it gets worse! We don't know how bad things have gotten regarding the perpetuation of misinformation and misunderstanding.

When we come to that moment of information assimilation, most of us assume that our caretakers, usually our parents, are “good people”. We see the sacrifices made by them for our benefit. Because our caretakers are “good people” we believe that they would never intentionally do any direct harm to us. I am not referring to reprimands for misdeeds. I am referring to them demonstrating their compassion for us by feeding us, clothing us, educating us, teaching us the golden rule, mentoring us, and the like. Our assumption is that they are genuinely concerned about our general welfare and our well being. We have what we believe to be evidence by these simple acts.

The frightening reality is that this understanding of benevolent authority is what we “transfer” over to everyone and every entity out in our world based on our parents compassion. The world is different today. Are these others and the entities around us deserving of a blind belief on our part that they have compassion for us? They *tell* us that they are deserving of this trust from us and even demand it! So we should, right? (If you were attentive to the forward I am sure you have encountered situations in your life that make you question this).

Hmmm...Let's see how true this is. What is really going on in this world today? In order to understand what has happened, we have to go back. Not too far back, but maybe 150 years. How did the family picture and outlook present itself 150 years ago?

When a person was born, there was some system of witnessing and acknowledgement. Very simply the mother and father knew the child was born and it was theirs. The parents made the announcement and notification to others that they had a new addition to the family. By being “their” child there were certain responsibilities.

The mother would, generally, nurse the baby in order to provide it with God's perfect nutrition. The parents ate fresh foods, maybe not a great variety, but fresh. This fresh food was free of pesticides, genetic modifications, steroids, artificial colors, artificial flavors, chemical additives, and the like (what we see as common place today). The mother's milk was converted from these fresh foods and by way of suckling, introduced into the baby's body to provide it with the perfect nutrition.

The parents were more physically healthy because they were outdoors more. Walking to and from many places and engaging in more physically active pursuits. Their environment was different. There was no air pollution to speak of, no airplanes poisoning the water and the air with Chemtrails. The water was generally fresher. People were living in a healthier environment overall. Why? Most were farmers or involved in agriculture.

Parents would use a Family Bible to record Births, Marriages, and Deaths. They would also use this to personally teach their children how to read and master writing by transcribing scripture verses. The parents taught their children relevant math, geography, morality, etiquette, and social skills. The parents were personally responsible for the preparing and guiding the next generation. The children were educated to a degree, (do you like that word?), to become proficient in the operation of the *family* enterprise. Usually, by the time they were 13 years of age.

Today, the food is polluted, our water is polluted, our education is polluted and corrupt, our families are fragmented, there is no longer generational wisdom passed down, and our lives are not our own. Why? Because we believe that we have a “government” that cares. So, we abandoned our responsibilities by transferring authority to a system that continually fails to do what we think should be moral and simple and they continue to make life more difficult with a false hope of improvement.

“Obey God’s commands and Love thy neighbor as thy self. This is the sum of the Laws and the prophets.”

Would you knowingly poison the food, water, or air that you need to live? Then why do politicians allow it and lie about it?

Would you create an educational system that deliberately does not prepare people for marital success, economic success, physical health, parental success, and social success? Then why do politicians allow it? Why do our parents allow it?

I could go on, but I won’t. It’s too laborious. Are the differences clear enough? 150 years ago people took the personal responsibility to think and act for themselves, pass on wisdom from their parents and grandparents, prepare the next generations, and use as a foundation, obeying the natural laws presented by a Divine Creator. Today we have a group of corrupt “want to be Aristocrats” telling us what to do through an invisible system that most treat as a god to be feared.

Well, all I can tell you is WAKE UP!!! This system is an illusion. You have options for everything. Do not accept anything the system pushes onto you without researching the foundations of their structure. You will find that they are a “house of cards” waiting to fall and that nothing has changed since God told the Hebrews that they did not need a ruler/king because they all had Him. They could always trust Him to be just. So let’s move on, shall we?

### The Secret History of America: The Greatest Conspiracy On Earth

Do you believe in a GRAND CONSPIRACY ? Do you believe Oswald acted alone? Do you believe that government is corrupt? If so, then to what DEGREE? That may depend on how willing you are to open your eyes and mind to SEE. Why is it that the more things change, the more they stay the same? Why doesn't society ever seem to grow up? Most people grow up

thinking that the world is very big and we believe the world exists the way it does today because this is the direction humanity has taken and chosen.

History is not being created by chance, but rather by design. The road that we are taking as a nation in America and as a human race on the planet Earth is being paved for us in advance and sold to us in a way so that a specific few others may profit.

Many people talk about conspiracies such as WATERGATE, IRAN-CONTRA, THE S & L (Savings and Loan) SCANDAL, THE FEDERAL RESERVE, OCTOBER SURPRISE, KENNEDY, THE FREEMASONS, THE COUNCIL ON FOREIGN RELATIONS and THE TRILATERAL COMMISSION, and even GREY ALIENS, but very few people know the real facts enough to explain them because they are not researched themselves. As information comes down the pipeline it becomes distorted and confused because most of the people passing along the information do not know the entire story, they have not researched much information themselves, and they tend to be biased as well. (They tend to have an angle in the information they put out, usually because they have an ulterior motive.) Truth is stranger than fiction!

The Essenes, as well as other secret societies around the times were PRIESTHOODS, so the early CHURCH was an established KNOWLEDGE CENTER with IDEAS ENCODED SYMBOLICALLY into religious text. After time, symbols lose their meaning except to those whom are INITIATED. Essentially, they held knowledge of ARCHETYPAL ENERGIES that bond or link Spirit to matter. These energies are expressed in mathematics and Greek Gematria called SACRED GEOMETRY. The word OCCULT means HIDDEN. They took the knowledge, hid it, and made it appear to be EVIL, so that they would know it, we wouldn't, and they could then control us a lot easier. This allowed an early guild of bricklayers, or MASONS, to be established, making it possible to build great pyramids, etc. Now, if everybody knew how to build a pyramid, then not only would the Pharaoh's tomb be no greater than Joe neighbor's cottage, but the Masons would also lose a lot of money building great castles and churches throughout Europe. This was the basis for early CAPITALISM, but we will discuss this later.

SACRED MUSHROOM ingesting and CANNABIS-smoking shamans are tribe spirit leaders in a sense and they practice inducing a state of consciousness in warrior tribesmen to temporarily replace their consciousness with animal consciousness to perform certain tasks or learn spiritual lessons or principles. There were special groups of assassin cults that were trained in earlier times using substances like hashish and they were called "Hashishans" or "Assassins". Although these two practices are not identical, they are similar and related. While the first example may be considered early natural mind control in the sense of learning to control your own mind, the second example could be considered manipulative mind control in the sense that the participants were trained under hallucinogens to kill for God or "Allah".

The Assassins, as well as a society called The Order of Lady of Sion appeared at the same time around 1090 AD. Out of The Order of Lady of Sion came Notre Dame de Sion and five out of nine of the founders of the KNIGHTS TEMPLAR came from this order. The Templars and Assassins had interlocking affairs and philosophies. They also had ongoing fights as well as commercial dealings. The Templars pronounced vows to poverty and in the meantime amassed great fortunes for the church (really themselves), and were responsible for financing the Crusades and other bloody religious wars. They were also some of the first to set up banks in Jerusalem. These were Temple Banks which occasionally were raided for their gold. This forced the Templars to develop branch banking, or, putting your money in several places so it doesn't all get taken at once. This is where the idea of a central bank and its local branches comes from, which became the model for banking in Europe and America. The Knights Templar became more popular when they were exposed in the fourteenth century and banished by the king, Jacques de Moley. He was burned at the stake for being a homosexual and a heretic. A portion of the Templar's wealth was seized by the king and handed over to their sister society, called the Knights Hospitalers, who were a branch of the Templars responsible for medical facilities in the kingdom. There is evidence to suggest that the Templars may have carried themselves on as the Rosicrucians for the next couple of centuries. This really doesn't matter too much, though, because all of these orders or secret societies are offshoots of other ones. They *are all* Masonic in nature because of the nature of the information which they possess.

These same secret societies and old European bloodline families are in control of the world today. To better understand what they do, we need to look at their philosophies and ideas. One motto of theirs is "Ordo ab Chao" or "order out of chaos". First they create CHAOS, then they propose the solution, ORDER, secretly from behind the scenes to control a given situation. There are different areas of Freemasonry and it is all a hierarchy of power. Occasionally, Masonic groups will work against each other in the public forum through the agencies which they control, but they may be united behind the scenes. You will see examples of what I mean very soon.

The first Masonic lodges by that name appeared in England in the 1600's and within a century they were spread throughout most of Europe, including Germany and France and the colonies of early America. One of the purposes they served was as a forum for the elite individuals to meet and discuss their political and social views without fear of religious persecution. Remember, just a couple of centuries earlier under Rome in the Dark Ages, they would kill you if you didn't believe that the moon was made of green cheese. In Rome, they realized that they could not rule the world by themselves and that they would need a consensus of nations or a United Kingdom and United Nations. The symbol for Fascism is a bundle of sticks wrapped together with a hatchet or an axe tied to it. It represents a world consensus of power or AXIS POWER. It appears on the U. S. Senate flag today and on the back of the American mercury dime from 1916 to 1945. While there were several enlightened societies around calling themselves illuminated, it was on May 1, 1776 that Professor Adam Weishaupt put together a secret society called The "ILLUMINATI".

Its sole purpose was to develop and implement a plan so that they could, in secret, control the world. Weishaupt was a genius of a particular sort as far as scheming and manipulation are

concerned. He was a respected teacher at the University of Ingolstadt at the time and had many connections in education. He became a Mason but was also a Jesuit priest. He learned as much as he could and decided to put his own secret society together. He used a process of initiation and power dissemination among ranks similar to the structure of a pyramid, where one sole individual or group at the top know what's going on but no one else really does, they only know a little until they succeed up the ranks and learn only a little more.

In the meantime, they don't know who is watching them or above them keeping them in check. In the highest circles of the order they propose to control the world through a One-world government, which they stated they could do by converting existing Masons to concepts of Illuminism. Weishaupt told them about the Utopia that could be established on Earth if everyone who KNEW would secretly work together to bring about this plan. Being free-thinkers and atheists to begin with, they proposed abolishing religion, government, orders of class, right to own property, or even raise your own children; and they believed that the ENDS justified the MEANS, meaning that whatever it takes to accomplish this task should be done WITHOUT HESITATION.

Within two years they had over 3000 members and many established lodges. Within several years they were exposed and banished from Bavaria. The documents were recovered and displayed in the British museum where they exist today. This is an important historical fact that has been severely covered up in America. They continued to exist, however, in the form of the German Union and scattered Reading Societies. Through their combined fortunes, the members of the Illuminati gained control over the literary societies and printing press. They circulated printed papers showing falsities of religion and abuses of government and promoted a general state of desperation throughout society, all the while blaming it on religion and government.

They sought to promote ANARCHY and REVOLUTION, whereby they would strip the monarchy (king) of power using the classes (people) as a lever to ultimately bring power back into their own hands, all the while creating new forms of government which would be puppets they could secretly control from behind the scenes. In Germany, the lodges which preceded the Illuminati were the Lodge Theodore and the Lodge of Strict Observance. In France they were known as the GRAND ORIENT TEMPLE MASONS. Their motto was "LIBERTY, EQUALITY, FRATERNITY". In 1789, they beheaded the King and Queen of France and orchestrated what was historically known as the French Revolution. This was only the first of several revolutions to come. Weishaupt had succeeded in grabbing the existing reigns of power in both Europe and America, entwining them together using new philosophical concepts, and tightening all of the existing slack.

In 1797, a book appeared in Europe by John Robison called "Proofs of A Conspiracy against all of the Religions and Governments of Europe, Carried on in the Secret Meetings of Freemasons, Illuminati and Reading Societies". Then in 1799, written in another country and in another language, Abbe Augustine Barruel published his four-volume study entitled "Memoirs Illustrating the History of Jacobinism". Then in 1826, William Morgan, an American Freemason who had written a book entitled "Illustrations of Freemasonry", was abducted and drowned in Lake Ontario. Because of the existence of these books, as well as the murder scandal, there was a

nationwide furor resulting in the creation of an Anti-Masonic political party in 1829. After this there was a temporary drop in membership in the lodges, but their control over the press soon caused the anger to diminish.

There is what is called the "Colombian" faction of the Illuminati which came over to America early on. The documents that were recovered in Germany showed that the symbol for the Illuminati society was the PYRAMID and the EYE IN THE CAPSTONE as shown on the back of the ONE-DOLLAR BILL. The symbol for Columbia Broadcasting System (CBS) is the ALL-SEEING EYE. The U.S. is located in the District of Columbia. There is Columbia University, and the Columbia space shuttle.

The Americas have been called the New World since before Columbus. There had already been a "New England Charter" and a colony established twenty years before the arrival of the Mayflower. In America in the east, we have the area of NEW ENGLAND, where the first colonies were established. The eventual American Revolution wasn't actually a real revolution. The Founding Fathers (Masons), did not go to war with their parents, the monarchy of England. There are many prominent American Presidents who are related to strong European bloodlines and great wealth. When the YORK Rite Masons of York, England, came over here, they settled on the East coast and declared it NEW YORK. Then they went to work to build the "Empire State". In New York sits the Statue of "LIBERTY", given to us by FRANCE, holding up the Masonic torch of ENLIGHTENMENT. The highest degrees of Freemasonry are the 32nd and 33rd degree.

On the back of the dollar bill, on the Great Seal of the U. S. , there are 32 feathers on the right wing of the eagle and 33 on the left. Underneath the pyramid, the Latin term "Novus Ordo Seclorum" means "New World Order". It has appeared on the dollar bill since 1933.

Karl Marx and Frederick Engels were students of Weishaupt and Illuminism. The 10 platforms that make up COMMUNISM are identical to the goals of the ILLUMINATI. The Communist Manifesto appeared in 1848 and Communism formed itself as a solid revolutionary movement in Russia in the early 1900's, in the form of the Bolshevik Revolution.

One particular group of families made up of the Russells and the Pierrponts founded several scholastic institutions, two of which were Yale and Princeton. Rev. James Pierrpont and Rev. Nodiah Russell CO-founded Yale in 1701. In 1832, Gen. William Huntington Russell and Alfonso Taft, grandfather of William Howard Taft, former President of the U.S., founded a secret society at Yale called SKULL AND BONES, or "The Brotherhood of Death". Gen. Huntington's brother-in-law, Samuel Russell, founded "Russell and Co.", the world's largest opium smuggling syndicate at the time. This provided them with a huge fortune in the millions. The founders and later influential graduates of Skull and Bones studied philosophy and other subjects in Germany where many prominent "Illuminated" teachers were working. Probably the

most influential family in this power circle throughout the last century has been the Harriman family. Edward H. Harriman amassed over \$60 million in the late 1800's in a swift stock deal involving Union Pacific Railroad and Kuhn Loeb. (1904 Northern Securities case) William Averall Harriman, his son, graduated Yale in the Skull and Bones Fraternity in 1913. Averall Harriman controlled Harriman and Co. which owns Brown Bros. and Harriman, the world's largest private investment bank. Prescott Bush, George Bush's father was initiated and graduated in 1917. Prescott Bush as well as some other Skull and Bones Graduates were directors of the bank. These banks as well as Guaranty Trust and Union Banking Corp, all of which were controlled by Skull and Bones, were the most influential entities in building up the Soviet Union from the early times of the Bolshevik Revolution in the early 1900's, through contracts to improve mining of raw materials and rebuilding of the RR transportation infrastructure. These same banks were also directly responsible for financing Hitler's rise to power and build up of Nazi- Socialism through contacts and subsidiary banks in Germany.

The PURPOSE for the build up of World Wars was to create a NEED for PEACE so that a UNITED NATIONS may be needed and then created as a SOLUTION for establishing peace between nations. A WORLD body of GOVERNMENT with a WORLD COURT and a WORLD POLICE to keep nations in place and to concentrate power into a few people's hands. Who's hands? William Howard Taft, Skull and Bones graduate of 1878, helped found the American Society for the Judicial Settlement of International Disputes in 1920. This soon became the League to Enforce the Peace, then the League of Nations and then finally The United Nations. If you look at things from a historical perspective, the U.N. today has implemented or is in the process of implementing all the planks of Adam Weishaupt's Manifesto. When George Bush took us to war in the Persian Gulf, he stated boldly that he didn't need the approval of Congress anymore to declare war because he had a U.N. Mandate. We have sacrificed a large part of our U.S. sovereignty. The U.N. has recently passed a Declaration of Children's Right's. It is now a RIGHT of the child to receive vaccinations, which do more harm than good, and a parent doesn't have the right to interfere. Parents who interfere with the rights of a child or abuse a child or are accused of abuse can have their children taken by the state. If you are seen spanking a child more than two or three times, the child abuse police will be unleashed against you. This amounts to nothing more than a giant power transfer, from US to THEM. The only way they can do this is by tricking us into thinking that we are so irresponsible that we cannot manage our own affairs and lives and that the state is better suited to raise our children. If you still like the U.N. then wait until you get hit with the new U.N. TAX that is coming.

This brings us to the World Bank, the IMF (International Monetary Fund), both creations of the U.N., and banking in general. In Switzerland there is a big building that is divided into 3 parts. If you look at it from above it looks like a peace symbol or Rune. This is the headquarters of the United Nations and the World Bank, the 3rd part is the World headquarters of Freemasonry. It's so convenient they can go back and forth between coffee breaks. In Brussels, there is a computer called "The Beast" which stores the names and information of every person in the world and that was created years ago. By now, it probably orbits the planet. THE U.S. IS A CORPORATION located in the DISTRICT OF COLUMBIA and each CITIZEN IS A FRANCHISE OF THE U.S. IDENTIFIED BY A SOCIAL SECURITY #.

One of the main influences of British Masonry comes to America in the area of Banking. Cecil Rhodes made his fortune from diamond mines in South Africa. Millions and millions of dollars were secured and put into a trust in his will to be used to finance the creation of secret societies for the furtherance of Anglo-Saxon rulership in the New World Order and the eventual recapture of the U.S. for England through the creation of a central bank in America. Cecil Rhodes formed what is called the "Rhodes Scholarship" at Oxford. There is also the Round Table in England put together by Alfred Milner. Bill Clinton is a Rhodes Scholar as well as other things. In Europe, at least at the time, the Rothschilds were the leading banking clan. Paul Warburg, an agent for the Rothschilds as well as several members of Skull & Bones were instrumental in setting up the Federal Reserve Central Banking system in America in 1913. President Andrew Jackson had stated that the central bankers were a den of vipers and thieves and he intended to drive them out of America in earlier times. He also stated that if the American people understood the rank injustice of our banking system, there would be a revolution by morning. President Thomas Jefferson stated "If the American people ever allow the private banks to control the issue of their currency, first by inflation, then by deflation, the banks and the corporations that grow up around them will deprive the people of all property until their children wake up homeless on the continent their fathers conquered". Abraham Lincoln took action against the central bank in his time and he was killed for it.

President Garfield was shot and killed shortly after declaring that whoever controls the supply of currency would control the business and activities of all people. Baron Nathan Mayer de Rothschild once said, "Let me issue and control a nations money and I care not who writes the laws". The measure of a nations wealth is the sum total of it's goods, services, natural resources and private wealth. In early America, private wealth consisted mostly of gold or silver. This is a great monetary standard because it has inherent value. For a long time, gold was worth \$20.00 an ounce.

A One-Ounce gold coin was a \$20.00 piece. Our grandfathers and great grandfathers found it a hassle to carry these around during large transactions due to heavy weight and frequent robbery, so out of the kindness of their hearts, the bankers would allow people to leave their gold and silver on deposit, while the bank would issue a gold or silver certificate, a piece of paper that was as good as gold. It said on the bill, "Pay to bearer upon demand in gold or silver. So after the bankers started to issue these notes they saw after a while that the people were not using the gold as much and coming back to withdraw it and that they could issue and loan more notes than they had gold to back it up. This is the true source of inflation. A short time later they replaced the gold and silver certificates with Federal reserve notes which are worthless. Without the gold and silver, the real valuables, America was essentially bankrupt. The Federal Reserve is a private corporation. When Federal Reserve notes are printed they are loaned to the U.S. Treasury or the people. Notes that cost 2 cents each are printed by the Fed and loaned to the U.S. government at face value plus 8 1/2% interest compounded. The interest is collected each year by the IRS (Repo Man), also a private corporation controlled by the Federal Reserve. With a federal deficit of 4 trillion 8 hundred billion dollars so far, the interest is in the neighborhood of \$200 Billion dollars, which is drained from the economy each year in the form of income taxes. The words "Federal Reserve Note" first appeared on our paper currency in 1933.

It is common sense that if you are borrowing money from someone and you have to pay interest then where will the money come from to pay the interest? If you have to borrow it then that creates more interest. Obviously, in this situation, there is no way out. However, coins are minted by the U.S. treasury and they are worth their face value as currency. There is a clause written into the agreement that provides us with the option to buy back the right to issue our own currency. The solution to the problem of the National Debt is to coin a 4 trillion dollar coin and use it to pay off the Federal Reserve. It would have to be accepted and it could even be made out of copper nickel clad. In 1963, President Kennedy passed an Executive Order calling for the printing of \$450 Billion dollars in U.S. backed Debt-Free currency. Shortly after, he was killed and as soon as his successor, Lyndon Johnson took office, the first thing he did was suspend the executive order and the printing of the currency. If you look hard enough, you can find \$2 bills from 1963 that say "U.S. Treasury" at the top instead of "Federal Reserve note". 1964 was the last year silver was used as the standard coin metal and coincidentally Kennedy's face first appeared on the half-dollar. Now, 23 years later, silver is \$5.00 per ounce instead of \$1. If you still don't see how this works, just realize that 23 years later, you now need 5 times as much money (work) to buy the same ounce of silver and 60 years later, after they removed the gold, we have to pay 20 times as much money for the same ounce of gold. (\$400.00 / ounce). The moral of this little story is that we are being ripped off by the biggest "Sleight of Hand" money scam ever devised. There is a Masonic term for this kind of deception, they call it "Hoodwinked". We are the sheep and we have had the wool pulled over our eyes.

It may appear to be a grand conspiracy where you may think that everyone knows what's going on, or you may say that it is impossible for everyone to work together on such a large scale for so long and so secretly, but the truth is that not everybody knows everything. Some people that are a part of the establishment only know a little and some don't really have a clue, some just follow the money, but most that hold high degrees have a pretty good idea, if not a lot of knowledge about the inner workings of the conspiracy.

Big name families like the Rockefellers and J.P. Morgan, even in their time, were not the main financial powers in America. They were highly paid agents, frontmen and spokespeople. Henry Ford resigned from the Ford Foundation citing an inability to maintain control over affairs. The Rockefeller foundation ties into and controls the American Medical Association and the public educational system through textbook publishing. The Rockefeller family got started with the help of the Harriman family, the Whitneys (Eli Whitney's family) and Standard Oil of New York (SONY), now Exxon. They have a lot of influence, even today.

*All of the founding fathers of this nation were Masons as well as almost all of the presidents. The building of early American colonies as well as the American Revolution would not have been possible if it were not for a very special plant. The Cannabis / Hemp plant was used throughout the world since the beginning of time for just about everything that mankind needed. Paper made from hemp was used for books, bibles, maps, and money. You can produce 4 times as much paper from an acre of hemp as you can from an acre of trees at 1/4 the cost, 1/5 the pollution, it is*

10 times stronger and lasts up to 1000 years instead of only 50. And it can be recycled 4 times as many times as paper from wood pulp.

The Constitution was printed on hemp paper as well as the first 3 drafts of the Declaration of Independence. Even great sailing ships like the U.S.S. Constitution were made primarily out of hemp. Hemp is the STRONGEST natural fiber on the planet. Hemp is 26 times stronger than cotton and 10 times longer lasting. The first Levi jeans were made out of hemp as well as all of the soldier's clothes for the Revolutionary War. It requires no chemicals to grow, has very few natural enemies, and grows in the widest variety of climates of any weed or plant. It is also the FASTEST GROWING plant on the planet, growing 4 times faster than corn. The seeds from the hemp plant provide the highest source of complete vegetable protein of any food source on earth. Even higher than soybeans. It has also been re-realized lately that the hemp seed is the highest source of Essential Fatty Acids in the world. ESSENTIAL, meaning :NECESSARY FOR LIFE, Fatty Acids are necessary for us and beneficial for cleaning the cholesterol out of the arteries naturally. All oils in the supermarket are bad since they are placed in clear plastic containers and exposed to direct sunlight. They become as bad as saturated fats, and end up CAUSING cholesterol buildup, leading to heart attacks, etc. Hemp seed oil can even be used as a machine-grade lubricant for engines and other machines replacing petroleum oil from the ground.

Henry Ford built his Ford Model-T using hemp to line the side panels. The impact strength was 10 times stronger than steel alone. This would eliminate many vehicular deaths today. The Model-T was also designed to run on hemp fuel which Henry Ford grew. This was displayed in Popular Mechanics in Feb. of 1938. Concentrated extracts of Cannabis from the flowers were the 2nd most used medicines in America for 150 years for over 100 separate medical illnesses. It is probably the best natural medicine for Glaucoma, stress, and controlling nausea, and works very well for arthritis , asthma, and epilepsy. It is estimated that Hemp would have at least 50,000 commercial uses if it were legal in America today.

The reason that Hemp is illegal in America today is because the main families in America (Masons), the Harrimans and Rockefellers (Standard Oil), the Whitneys (Eli Whitney-Cotton Gin), Dupont (Chemicals in wood pulp processing and cotton pesticides), and Hearst (Newspapers, Media) find it more profitable to sell us unnecessary chemicals, unneeded dug-up petroleum oil, immune system destroying pharmaceuticals, and axed up trees cut into real thin slices, all at over-inflated prices and at the expense of our health and living environment. For these companies, the real problem is that one cannot patent a natural plant. Almost everything produced in America by large corporations is exported for sale on the world markets. The total value of oil, petrochemicals, and pharmaceutical sales totals hundreds of billions of dollars. However, with the availability of over 50,000 new products and the necessity to manufacture them, America would be a much richer nation if the farmers and the average citizen were allowed to grow this valuable crop.

Right now, the power is concentrated in the hands of a few rich individuals like George Bush, for example, who's legacy goes something like this : Graduated Yale in the Skull and Bones

fraternity in 1948, went into the Airforce, got shot down and was played up in the press as a war hero, becomes owner of Zapata Off-shore Oil , which controls a large fleet of oil tankers off the coast of Kuwait, becomes director of the CIA, working to introduce cocaine and heroin in large part to America, is made Director of Eli Lilly Pharmaceuticals by Dan Quayle's Father (Lilly produces precursor chemicals used in cocaine production), sits on the board of First Interstate Bank, Puralator Shipping, and Texas Gulf (Fertilizers and pesticides to grow the Coca with and then spray on it to wipe some of it out), then becomes Vice-President and Drug Czar (During this time Cocaine influx into the U.S. increased by over 2000 %), declares war on the American people and the Bill of Rights through the militarization of a phony drug war, tricks Saddam Hussein with the help of the leaders of Kuwait, into attacking Iraq (The reason was Zapata Oil's slant drilling from Kuwait into Iraqi territory) so that he could declare war under a U.N. Mandate, strengthen the U.N. and hike up oil prices, then before leaving office, signs into law a secret Telecommunications Bill requiring the switch-over of all Federal and Bank phone lines to Fiber Optic for the purpose of electronic funds transfer as required by law in the year 2000 when cash and checks will be no longer legal. If that isn't bad enough, he also has brothers and sons that are Skull and Bones members and they do politics as well. Neil Bush (Silverado Savings and Loan Scam), there is Jeb Bush and there are several other Bush's hiding in the BIG BUSH FAMILY. It is probably no coincidence that the Harriman and Bush families both have a history in Eugenics or race purification and Genetic Selective Breeding. They will propagate their own young on the planet because they can afford it, while sitting back and deciding which countries can have how many children per family.

Population control and mind control are the methods used by the new Fascist Roman Capitalistic Empire. Millions of people die around the world each year from debilitating diseases like cancer, AIDS, Leukemia and now flesh-eating strep and Ebola. Does the Rockefeller-run American Medical Association (AMA) do everything it can to insure that doctors know the truth about health and do the most to insure the safety of the patient ? NO !

Let's consider these facts. Herbs have been around forever, they grow naturally and they have been used for healing for centuries. Drugs are synthetic chemical reproductions sold by the large pharmaceutical corporations at highly inflated prices. Doctors receive less than 3 hours of instruction on nutrition, eating right and preventative medicine in their entire 4-6 years of training.

Luis Pasteur, shortly before he died, stated that he was possibly mistaken about his germ theory. He said that germs and viruses might be the result of the disease instead of the cause. The way this could be explained is that the body overloads on toxic build-up and produces symptoms of stress, then necessary bacteria or viruses move in to scavenge the toxins, creating an abundance of these in the system, and leaving a super toxic waste by-product behind, which the body has a difficult time expelling. Therefore the presence of the virus or high bacteria count is a result of the disease and not the cause. A couple of very important things to realize when considering this possibility are : 1. A person does not need to be exposed to another individual to come down with a cold. People living in small communities with no outside exposure can come down with

colds and disease. 2. People with no disease can sleep with people and exchange bodily fluids with people with HIV and not be infected. Considering these facts further weakens the Germ Theory of Disease. If this information is true, then the introduction of prescription and pharmaceutical drugs would only serve to mask the symptoms of the problem and slowly destroy the immune system since these drugs are highly toxic.

There have been several cures for cancer and other diseases but these have been viciously suppressed by the establishment and pharmaceutical industry. Some of these include Raymond Rife and the Rife Microscope, Harry Hoxsey, Cancell, Essiac, and Ozone. The latest and most promising information so far comes from a woman named Dr. Hulda Clark. Her books and research have just been published this year. She states that the age-long problem and cause of diseases are parasites, Worms in particular. There is a worm, an intestinal fluke, which exists in most people throughout their lives. Generally, it is excreted by the body in the younger stages and does not grow into an adult in our bodies. But, something different happens when substances like Benzene and Propyl Alcohol are abundant in our body. These toxic chemicals are consumed in the form of carbonated sodas and extracts and they are absorbed into our skin in hair and body care products. The abundance of propyl Alcohols break down the shells of the eggs allowing them to hatch early.

The build-up of these toxic substances weakens the immunity of certain organs or areas of the body (Thyroid, Lymph, skin), allowing worms to grow in these areas. Dr. Clark has diagnosed hundreds of people with both Cancer and AIDS and found that all of them had both the worm present and the weakened immunity from one of these toxic sources. She was also successful curing all of them with the three herbs that are necessary to kill the worms. She does claim though that some people that are very close to death may be too far gone from the severe burden of over-toxicity. We will see how long it takes for the general public to find out about this. We have already spoken to people in different states that have used her methods successfully. Even if people do find out about things one way or another, the average person will not even know that people are finding out about something because the media will not televise it and tell people certain things.

The biggest people in the media are members of the Council on Foreign Relations and Trilateral Commission, both creations of Skull and Bones and David Rockefeller. The media is used to promote disinformation and propaganda. The only way you can think the media doesn't withhold information is if you don't know what is REALLY going on. Hitler said, in regard to propaganda and thought control, "The bigger the lie, the easier to believe". Sometimes it can be very difficult to discern the truth and find out what is really going on. Your heart will tell you one thing and your intellect another and usually we get caught up believing what we want to believe because it's too much trouble to see all the way through

Some additional information, including aliens, gov. cover-ups, and so forth, all the while learning about secret societies and other related info is presented in a book called "Space Aliens

from the Pentagon" by William Lyne. While the former reality may seem to be a little out of this world, the info presented in this book is a lot more down to Earth. According to Mr. Lyne, the secret societies in America and abroad have harnessed a naturally occurring "Free Energy" and have possessed and suppressed this secret for at least 80-100 years. Many people have heard of Albert Einstein and his Theory of Relativity ( $E=MC^2$ ). Most would consider him a genius although it is known that he was a Grade School dropout. Around the same time lived a man named Nikola Tesla. He came to America in the early 1900's as a scientist and inventor. He was responsible for many great discoveries, but it is not mentioned in history very much. He was responsible for Radio, Television, Fluorescent and Neon lighting, Helicopters, Lasers, Particle Beams and Alternating Current. If you haven't heard of him you should at least wonder why. William Lyne is himself an inventor and scientist. Mr. Lyne claims that when Tesla came to America, he had under his arm blueprints for possibly the world's first FLYING SAUCER and it flew without the need for external energy. He intended to present it to the Geneva Convention as a proposed solution for world peace and energy liberation. He had theories of Magnetism and Anti-gravity as well as other forms of "Free Energy". The story goes that Einstein was working as a clerk at the Swiss Patent office at the time that Tesla was applying for his patents. Alternating Current was in the position of putting DC out of business, which meant that Edison and Westinghouse would suffer. J.P. Morgan, a Skull and Bones Banking Frontman, was financing Westinghouse and attempted to make arrangements to secure Tesla's patents through con deals and contracts.

He used Einstein's position at the patent office to rip off several of Tesla's patents and then told him outright that since it would be difficult to collect money on this "Free Energy", that it would not be used or promoted in society. Instead, Einstein's Theory of Relativity would prevail and Tesla's Dynamic Theory of Gravity would be suppressed. Today, it is impossible to locate some of Tesla's earlier patents. The Flying Saucer project was then moved out of the country to a secret joint German / American base near the South Pole called "Neu Schwabenland" or New Berlin, which was under the control of the Thule society, a secret society in Germany to which the SS belonged. Here, the crafts were perfected and outfitted with the latest technology and design. The Nazis created propaganda back home that Hitler was in touch with a Blond-haired, blue-eyed Aryan race of beings who communicated to him that he was chosen to lead the Germanic people. There was a resurgence of Occultism in Germany at this time. Hitler was into the occult and he was a master of propaganda. Remember, he stated "The bigger the lie, the easier to sell to the public", people believe what they want to believe. After W.W.II, during Operation Paperclip, hundreds of Nazi intelligence officers were secretly brought to America and given positions in the OSS (Office of Strategic Services), the forerunner to the CIA, supposedly to gain information on the Russians, our new enemy. Along with the Nazis came the flying saucer project.

The project was brought to New Mexico, where it was worked on further. Soon there were several sightings by people of mysterious flying objects and bright flying balls of light. In 1944 and 45, there were newspaper reports about flying balls of light possibly being advanced Nazi aircraft. They were called FOO-FIGHTERS. Then a couple of years later, in 1947, there was supposedly a flying saucer crash in the desert of Roswell, New Mexico, with advanced

technology and even bodies of aliens recovered. This was reported on the front page of the newspaper and then it was explained away as a weather balloon. Within a few years science fiction films started coming out like crazy. (The day the Earth Stood Still-about the threat of war and the necessity to make peace with ourselves and the aliens, and War of the Worlds-H.G. Wells, a British Intelligence Agent).

There was a time in America in the 1950's, when it was trendy to wear alien antennas on your head or a Hat shaped like a flying saucer. This was the beginning of the first wave of American propaganda. Then in the 1970's, we had Star Wars, Close Encounters, Hanger 18, and eventually E.T. T.V. movies like Alien Nation and "V" were shown to us and now Sightings, The X-files, and even Roswell the movie. There is a consistent theme that suggests the government is involved in a super high level cosmic Watergate cover-up.

William Lyne claims to have seen this entire drama evolve from a simple bungled crash recovery story to the elaborate present day theory mentioned before. He basically says that this is the biggest "Free Energy Cover-up" scam ever perpetrated against the people of the world. Millions and millions of dollars are poured into an elaborate propaganda complex of Authors, Ph.D.'s, Ret. Military Officials and self proclaimed "Channelers" to distribute books and videos on these ideas. They fund UFO expos, research groups like MUFON, and UFO magazines. He even claims that he was offered money by the CIA to write phony scripts about being abducted by grey Zeta-Reticulans. He claims to have many contacts himself, through his own family and relatives and friends from previous service in the Air Force, who have confirmed this info. He claims the UFO expos are filled with disinformation agents.

Here are a couple of things to consider : 1. If you wanted to expose the government or publish books or videos on UFOs or aliens then where do you get the money to do it ? Who has this kind of money lying around and is willing to invest it in these ventures? There is new information appearing that Lawrence Rockefeller has been behind the private financing of groups to discuss the UFO issue and undoubtedly promote more propaganda and lies. 2. If this is the government's biggest cover-up then how come all of this info is coming out all at once all over the place? 3. After Bill Lyne presented this info for the first time at the UFO expo in California and was a huge success, why was he asked not to return and told that he would be better suited at the Extraordinary Experiences Expo ?

There has been some speculation that the government maybe preparing to "inform" the public about the supposed alien presence and possibly even present a staged landing or invasion scenario. Either way we may soon see, depending on how carefully we are watching. If this is the kind of technology the government had 50 and 100 years ago, then 166 mhz pentium processors are probably a far cry from REAL present day capabilities.

One of the symbols for Roman Catholic Freemasonry is the Double Cross. It may appear on the Pope's headdress or on the advertisement for the American Lung Association or even in the EXXON sign. This may imply that we've been double-crossed. Is the Shell gas station symbol really a shell? Or is it the SUN rising in the East? The Panorama Mall in California uses an almost identical symbol and it is surely not a shell, but the SUNRISE. The flag of El Salvador and Nicaragua both are a symbol of the triangle or pyramid with the eye in the peak or capstone as well as the sun rising. The flag for Germany is the Masonic compass symbol. Look at the America On-line symbol. A Current Affair T.V series. The next time you are driving on the freeway and you see an exit sign with gas station displays that offer you a choice between Citgo or Shell, ask yourself whether you are really looking at a pyramid and a sun rising in the east. And now, back to the most popular conspiracy question : Who did kill JFK? If you still think it was Lee Harvey Oswald and you believe the lone assassin theory or if you are stuck in a cave somewhere building a wheel that is shaped like a square then consider these important historical facts : The assassination took place in Dealey Plaza, site of the first Masonic temple in Dallas. Dallas is located just south of the 33rd degree of latitude. The 33rd degree is the highest degree one can achieve in Freemasonry. Shakespeare's MacBeth is a "Killing of the King" drama. MacBeth, who killed his King in accordance with a witch's plot and was himself later killed, parallels the JFK assassination and the sequence of Oswald being killed by Ruby. "Mason Road" in Texas, connects to the "Mason No El Bar" and the Texas / New Mexico "Land of Enchantment" border. This connecting line is on the 32nd degree.

When the 32nd degree line of latitude is traced west into the "Land of Enchantment", it becomes situated midway between Deming and Columbus. Slightly to the north of the town of Columbus are the "Tres Hermanas" (Three Sisters) mountains. The Three Sisters are found approx. 32 miles between Deming and Columbus and are a minute and some seconds south of the 32nd degree line. When this line is traced further to the west, it passes the ghost town of Shakespeare at a distance south of the town that is roughly equivalent to the distance which the 32nd degree line passes north of the three sisters mountains. Both Shakespeare and the three sisters relate to MacBeth. When this 32nd degree line is traced some distance further west, into Arizona, it crosses an old trail which meanders north of a ghost town, which was once the town of Ruby. The trail itself was called Ruby Road. Ruby Road twists north into the area of 2 mountain peaks known as Kennedy and Johnson Mountains. The New Orleans CIA (who provided security) station's headquarters were in a Masonic temple. And last but not least, Mason Lyndon Johnson appointed Mason Earl Warren to investigate Kennedy's death. 33rd degree Mason, Gerald Ford was instrumental in suppressing what little evidence of a conspiratorial nature reached the commission. Responsible for supplying information to the commission was 33rd degree Mason J. Edgar Hoover and former CIA director and Mason Allen Dulles was responsible for most of his Agency's information to the panel. There IS NO need to wonder whether there is a conspiracy going on, the fact is AMERICA IS ONE BIG LIVING CONSPIRACY.

The 2000 year old Reich of the NEW WORLD ORDER is HERE and NOW. We are about to start 1996. The more that this sort of information gets out to the public, the faster the crackdown and grab for power becomes. The government is not as dumb as most people believe, it only appears to be on the surface. How many more police do we need? The Fraternal Order of Police

is a Masonic Order. You will understand this the next time they put you through the 3rd DEGREE, and offer you 3 SQUARE meals a day. How much more power do we want to give them? Current Gun Control Legislation is taken almost word for word from gun control laws passed in Nazi Germany under Adolph Hitler. There have been many Executive Orders and Public Laws passed giving tremendous powers to the president to declare National Emergencies, suspend the Constitution, and round up large groups of people, and the power to use converted and shut down MILITARY BASES AS LABOR BOOT CAMPS ( CONCENTRATION CAMPS), has been handed to the Pentagon. This will be sold to us as immigration control, drug trafficker punishment and so forth.

In Europe today, the National I.D. Card (Smartcard) has already been issued. In Singapore, you are required to carry it by law. It will soon arrive in America and it will be pushed using Health-Care reform or Immigration Control as a means to sell it to the public. This card will store all of the necessary information on you and more.

There was a particular type of wood that magicians used to make their wands from. It was the wood from the Holly plant. Hollywood today is where the Mason Magicians of the silver screen wave their hypnotic magic wands over our eyes and fool us with ILLUSIONS. If you remember the T.V. series "Get Smart", there were the bad guys called CHAOS and the good guys called CONTROL. GET SMART . Yes, it's time for all of us to get smart!

# A LITTLE MORE HISTORY

Today the majority of Americans pay taxes because when they get a job their employer requests that they fill out either: Internal Revenue Service Form W-2, Form W-4, or Form 1099, which, as a direct result, withholds taxes from their paychecks for their labor. [The majority doesn't have a clue as to why they are paying these taxes in the first place.]

It has been affirmed that labor is a fundamental, unalienable right, protected by the United States Constitution. Why? Because the only commodity or resource we can directly possess and control is our time. When we trade our time for a substance, (wages, items, property, and the like) it is a fair exchange and EXEMPT FROM ALL TAXATION! *This fundamental right is not supposed to be taxed.*

*THERE IS NO LAW THAT ALLOWS FOR OR REQUIRES THE TAXATION OF A LIVING MAN'S WAGES IN WHICH HE HAS TRADED FOR HIS TIME/LABOR!! THE I.R.S. cannot produce this for anyone to see because it does not exist!* If you doubt this, ask them to produce the specific law...they won't because they can't! They may produce the tax code, which in simple terms applies to corporations and income (corporate profit) but they cannot show you the law that requires a sovereign individual pay a tax on his earnings!

It is presumed that everyone is expected to know the law. It has been long held that, ignorance of the Law is not an excuse or a defense. The well established maxim that: "He who falls to assert his rights - HAS NONE!", unequivocally establishes that just as a closed mouth never gets fed, "a matter must be expressed to be resolved."

When it comes to dealing with lawyers, government, and the Internal Revenue Service (which is not an agency of the United States Government, but a private foreign-owned corporation) withholding and keeping knowledge from the people is nothing new. It is a common business tactic that has been going on from the beginning of its inception. It will, most likely continue as long as we rely upon lawyers and government to do that which we ourselves should be doing.

In order to find the answer as to why your labor is being taxed, when the Constitution says it is not supposed to be, It is necessary to understand how government exists and operates. To accomplish this requires a quick review back in history to the time of the War Between the States.

The People of this Nation lost their true Republican form of government. On March 27, 1861 seven southern States walked out of Congress leaving the entire legislative Branch of Government without quorum. The Congress of the Constitution was dissolved for inability to disband or re-convene. The Republican form of Government, which the People were guaranteed - ceased to exist. Out of necessity to operate the Government, President Lincoln issued Executive Order No. 2. in April 1861, reconvening the Congress at gunpoint in Executive, emergency, martial-law-rule jurisdiction. Since that time there has been no "de jure" (sanctioned by law) Congress. Everything functions under "color of law" (the appearance or semblance, without

substance, of legal right.) Through Executive Orders under authority of the War Powers, (i.e. emergency, i.e. law of necessity) the "law of necessity" means no law whatsoever, as per such maxims of law as:

"Necessity knows no law" [(the law of forbidding killing is voided when done in self-defense)].  
"In time of war laws are silent." Cicero.

To establish the underlying debt of the Government to the Bankers, to create corporate entities that are legally subject to the jurisdiction which they exist, and to create the jurisdiction itself correctly, the so-called (fraudulent and unratified) Fourteenth Amendment was proclaimed and passed in 1868. This was a cestui que trust (operation in law) incorporated in a military, private, International, commercial, de facto jurisdiction created by, and belonging to, the Money Power, existing within the emergency of the War Powers, the only operational jurisdiction since the dissolution of Congress in 1861.

Through the 14th Amendment, an artificial person-corporate entity-franchise entitled "citizen of the United States" was born into private, corporate limited liability. Section 4 of the 14th Amendment states: "The validity of the Public Debt of the United States (to the Bankers) ... shall not be questioned."

Within the above-referenced private jurisdiction of the International Bankers, the private and foreign owned "Congress" formed a corporation, commercial agency, and Government for the "District of Columbia" on February 21, 1871, Chapter 62, 16 Stat. 419. This corporation was reorganized June 11, 1878, Chapter 180, 20 Stat. 102, and re-named "United States Government." This corporation privately trade marked the names: "United States," "U.S.," "US," "U.S.A.," "USA" and "America."

When the United States declared itself a municipal corporation, it also created what is known as a cestui que trust to function under by implementing the Federal Constitution of 1871, and incorporating the previous United States Constitutions of 1787 and 1791 as amended, as by-laws. Naturally, as the grantor of the trust, this empowered the United States Government to change the terms of the trust at will.

As evidenced under the Federal Constitution of 1871, the 14th Amendment, the People of the United States, without their consent, were declared "Citizens" and granted "Civil Rights." These so-called civil rights are nothing more than mere privileges. Privileges which government licenses, regulates, and can re-interpret to suit its purposes at any time for any reason. The Federal Corporate Government also conveniently somehow forgot to disclose to the People that the term "Citizen" with which they have made every living and breathing inhabitant a "subject", was defined in law as a "Vessel" engaged in commerce.

In 1912, when the bonds, that were keeping the US Government afloat, and, were owned by the Bankers, came due, the Bankers refused to re-finance the debt, and the colorable, martial-law-rule Congress was compelled to pass, the Federal Reserve Act of 1913. This Act surrendered constitutional authority to create, control, and manage the entire money supply of the United States to a handful of private, mostly-foreign bankers. This placed exclusive creation and control of the money within the private, commercial, foreign, and military jurisdiction of 1861, into

corporate limited liability. America converted from United States Notes to Federal Reserve Notes, beginning with the passage of The Federal Reserve Act of 1913. Federal Reserve Banks were incorporated in 1914, and, in 1916, began to circulate their private, corporate Federal Reserve Notes as "money" alongside the nations "de jure" currency, the United States Notes. Whereas United States Notes were actually warehouse receipts for deposits of gold and silver in a warehouse (bank), thus representing wealth (substance, portable land; the money of sovereigns), the new fiat money (Federal Reserve Notes) amounted to "bills for that which was yet to be paid," i.e. for what was owed! For the new "benefit" of being able to carry around U.S. Government debt instruments (Federal Reserve Notes) in our wallets instead of Gold Certificates or Silver Certificates, we agreed to redeem the newly issued Federal Reserve Notes in gold and also to pay interest for their use in gold ONLY! Essentially, the Fed issued paper with pretty green ink on it and we agreed to give them gold in exchange for the "privilege" of using it. Such was the bargain. Through paying interest to the Federal Reserve Corporation in gold, the US Treasury became progressively depleted of its gold. America's gold certificates, coin, and bullion were continually shipped off to the coffers of various European Banks and Power Elite. In 1933, when the Treasury was drained and the debt was larger than ever (a financial condition known as "Insolvency"), President Roosevelt proclaimed the bankruptcy of the United States. Every 14th Amendment "citizen of the United States" was pledged as an asset to finance the Chapter 11 re-organization expenses and pay interest in perpetuity to the CREDITORS (Federal Reserve Bankers) and the "national debt", ("which shall not be questioned").

On March 9, 1933, Congress passed the Amendatory Act (also known as the Emergency Banking Relief Act) to the Trading with the Enemy Act (originally passed on October 6, 1917) at a time when the United States was not in a shooting war with any foreign foe and included the People of the United States as the enemy. At the conference of Governors held on March 6, 1933, the Governors of the 48 States of the Union accommodated the Federal Bankruptcy of the United States Corporation by pledging the faith and credit of their State to the aid of the National Government.

Senate Document 43 of the 73rd Congress, 1st Session (1933) did declare that ownership of ALL PROPERTY is in the STATE and individual so-called ownership is only by virtue of government, i.e. law amounting to "mere-user" only; and individual use of all property is subordinate to the necessities of the United States Government. Under House Joint Resolution 192 of June 5, 1933, Senate Report No. 93549, and Executive Orders 6072, 6012 and 6246, the Congress and President Roosevelt officially declared bankruptcy of the United States Government. |

Regardless of the cause or reason, what many American's either do not understand and/or have failed to seriously grasp, is that by the use of Federal Reserve Notes; (which Is not Constitutional Money defined under Article I Section 10 of the United States Constitution), *the People of the United States since 1933, have not had any Constitutionally lawful way to pay their debts.* They therefore have not had any way to buy or own property. *The People, for the benefits granted to them by a bankrupt corporate Government, discharge their debts with limited liability using Federal Reserve Notes.* They have surrendered, by way of an unconscionable contract, their individual Rights under the Constitution, in exchange for mere privileges!

A review of countless United States Supreme Court decisions since the 1938, landmark case, *Erie Railroad v. Tompkins*, (304 U.S. 64-92) clearly establishes that only the State has Constitutional Rights, not the People. *The People have been pledged to the bankruptcy of 1933. The federal law administered in and by the United States is the private commercial "law" of the CREDITORS.* That, due to the bankruptcy, every "citizen of the United States" is pledged as an asset to support the bankruptcy, must work to pay the insurance premiums on the underwriting necessary to keep the bankrupt government in operation under Chapter II Bankruptcy (Reorganization). That upon the declared Bankruptcy, Americans could operate and function only through their corporate colored, State created, ALL-CAPITAL-LETTERS-NAME, - that has no access to sovereignty, substance, rights, and standing in law. The Supreme Court also held the "general (Universal) common law" no longer is accessible and in operation in the federal courts based on the 1933, bankruptcy, which placed everything into the realm of private, colorable law merchant of the Federal Reserve CREDITORS. To take this to a different level and not only explain why you pay taxes, but also why you do not own the house you live in, the car you drive, or own anything else you think you've bought and paid for etc. The State Government and its CREDITORS own It all. If you think you own your home just because you believe you paid it using those Federal Reserve Notes, just like everything else you possess by permission of Government, simply stop paying your taxes, (user-fees), (licenses) and see just how long Government and the CREDITORS allow you to keep it before they come to take it away from you.

How can all this really be? Why haven't you been told all of this before now? Ignorance of the law is no excuse. Every man is deemed (required) to know the law. Government expects you to know the law, and holds you fully accountable for doing so. Ignoring these facts will not protect you. The majority of American's have been given a Public Education to teach them only what the Public, i.e. government (CREDITORS) wants them to know. It is and always has been each individual's personal responsibility, duty and obligation to learn and know the law.

What this breaks down to is this: Back in 1933, when the United States went into bankruptcy because it could no longer pay its debts it pledged the American People themselves without their consent as the asset to keep the government afloat and operating. Because government no longer had any way to pay its debts with substance, was bankrupt, it lost its sovereignty and standing in law. Outside and separate from Constitutional Government, to continue to function and operate, it created an artificial world consisting of artificial entities. This was accomplished by taking everyone's proper birth given name and creating what is called a "fiction in law," by way of an acronym, i.e. a name written in ALL-CAPITAL-LETTERS to interact with. A name written in ALL-CAPITAL-LETTERS is not a sentient, flesh and blood human being. It is a corporation, fiction or deceased person. Government as well as all corporations, including the Internal Revenue Service cannot deal interact with you or interact with you via your proper name given you at birth, only through your ALL-CAPITAL-LETTERS-NAME!

Another little tidbit of knowledge which has been conveniently kept from the People is this; When the Several united States signed the treaty with Great Britain ending the Revolutionary War, it was a concession that ALL COMMERCE would be regulated and contracted through British Attorney's known as Esquires only.

This condition and concession still exists today. No attorney or lawyer in the United States of America has ever been "licensed" to practice law (they've exempted themselves) as they are a legal fiction "person" and only an "ADMITTED MEMBER" to practice in the private franchise club called the BAR (which is itself an acronym for the British Aristocratic Regency), as such are un-registered foreign agents, and so they are traitors. Esquires (Unconstitutional Title of honor and nobility = Esquires), foreign non-citizens (aliens) who are specifically prohibited from ever holding any elected Public Office of trust whatsoever! Article I, Section 9, clause 8, states: "No Title of Nobility shall be granted by the United States: And no Person holding any Office of Profit or Trust under them, shall, without the Consent of the Congress, accept any present, Emolument, Office, or Title, of any kind whatsoever, from any King, Prince, or foreign State."

As a direct result, attorneys and lawyers cannot and do not represent you in your proper birth or given name. *Attorneys and lawyers re-present corporations, artificial persons, and fictions in law - ONLY!*

What the majority in this country fail to recognize is this: because of the bankruptcy and having been pledged as an asset to the National Government's debt, this makes all citizens DEBTORS under Chapter 11. DEBTORS in bankruptcy having lost their solvency - have NO RIGHTS nor STANDING IN LAW and are at the mercy of the CREDITORS.

All courts today sit and operate as Non-Constitutional, Non-Article Three Legislative Tribunals administering the bankruptcy via their "statutes," ("codes.") All Courts are Title 11 Bankruptcy Courts where these statutes are, in reality, "commercial obligations" being applied for the "benefit" or "privilege" of discharging debts with limited liability of the Federal Reserve-monopoly, colorable-money Federal Reserve Notes (debt Instruments).

This means every time you end up before a court - not only do you NOT have any standing in law to state a claim upon which relief can be granted, YOU HAVE NO CONSTITUTIONAL RIGHTS! Why? Because you are a DEBTOR under the bankruptcy and in addition to having contracted away your rights in exchange for benefits and privileges; you do not have one single shred of evidence to establish otherwise.

In bankruptcy ONLY CREDITORS have rights! In a nutshell, as a DEBTOR, it is impossible for you to access Constitutional Rights, they are reduced to mere privileges which are licensed, regulated, and can be altered, amended and changed to meet whatever the particular or special needs of government for whatever whim. If taking away your home, your car, taxing your labor, or locking you up for violating any of the Sixty MILLION plus legislatively created DEBTOR codes and statutes they have on the books today happens to meet the needs of government - it really doesn't take a rocket scientist to realize who the loser will be!

## B. IS THERE REALLY A REAL REMEDY?

Is there really a real remedy to what has been done? Quite simply, Yes! There is one way and one way only you can protect yourself, your family, and property from this public obligation.

The only unbreakable contract in existence in the world today is a UCC-I Financing Statement. [See Appendix Attachment No. I, Copy of UCC-I Financing Statement.]

Only through filing a UCC-I Financing Statement and Accepting For Value your Birth Certificate and executing a lien upon the governmentally created ALL-CAPITAL-LETTERS-NAME by you in your proper Birth given Name as the Secured Party, and listing anything and everything you own, will own, or possibly ever could own, as collateral in the Security Agreement, can you effectively and permanently remove yourself from the status of a DEBTOR to that of a CREDITOR, and actually own property, have access to enforceable Constitutional Rights. By filing a UCC-I Financing Statement, you become an actual CREDITOR with standing in law and acquire the ability to stake a claim upon which relief can be granted, and not have the fruits of your labor taxed

Simply following up the UCC-I Financing Statement with a Public Notice and Declaration/Depositum Declaration, can you, as a CREDITOR, acquire and access actual Original Jurisdiction Constitutional rights that can be enforced.

Without a UCC-I Financing Statement, everything you have is pledged and owned by the State. You merely are the user of the property and must use that property in strict compliance with all the rules and regulations established by the State. If acquiring actual Original Jurisdiction Constitutional Rights and having the ability to own property free from government controls, and the ability to earn a living without taxation - interests you, you have nothing to lose and everything to gain by executing that document without delay!

Only through filing a UCC-I Financing Statement and Security Agreement and then executing a Public Notice and Declaration/Depositum Declaration is it possible for anyone to legally access Constitutional Rights.

To try and break this down even further: Few people truly understand the words "slave and slavery." The biggest benefit in filing a UCC-I Financing Statement is that you will no longer be a slave. The fact is, most dictionaries fail to provide an accurate definition of the words "slave and slavery." Even Webster's 1828 edition of the English language dictionary fails in its attempt to define the true meaning of the word "slavery": "Slave: a person who is wholly subject to the will of another." Slavery is not a matter of being totally 100% subject to the will of another. Any person, who is to any degree involuntarily subject to the will of another, is still a slave. There are no degrees of slavery. The second part of the 2nd definition of slave provided by Webster's 1828 Edition is: "One, who surrenders himself to any power whatsoever," which is closer to the real point.

The Uniform Commercial Code [UCC] governs ALL commercial transactions in the United States. Any "person" including government corporations, agencies, etc. involved in the "sales of goods, commercial paper, bank deposits and collections, letters of credit, bulk transfer, warehouse receipts, bills of lading, investment securities, and secured transactions" is governed by the UCC. The A form of Uniform Commercial Code is adopted by all States.

To comply with the Uniform Commercial Code in your state, a UCC-I Financing Statement must be filed with the Secretary of State, by any "person" who makes a claim against any other "person" in the area of commerce. All government agencies, (city, county, state and federal), operate in commerce and all of them, including the Internal Revenue Service, are private corporations. All Courts operate in commerce. All Banks operate in commerce. All "Corporations operate in commerce and all of these "entities" exist financially because WE are their collateral. They borrow on our "credit."

At one time, our currency was backed by or given substance by gold or silver. It has been thought by many, since the United States took the substance of gold and silver away, that Federal Reserve Notes were simply worthless paper, backed by nothing at all. That is not correct! Today, real people, United States Citizen's, you, me, your children, etc. *back* Federal Reserve Notes, much the same way that gold and silver did in the past. In other words, the living, breathing people guarantee or provide the substance for ALL money that is created. The Federal Reserve Bank clearly states: "Federal Reserve Notes are backed by the Full faith and credit of the American People." Blind Faith sets forth that YOU trust THEM. Who? None other than the Federal Reserve! Credit means something is due you! The Federal Reserve uses our credit to create ALL money. *All of the money created belongs to the American People and the deceit of the Public and private corporations is so complete, they create it, charge it to us as a debt and then tack interest to it on top of that!*

How did the American People become collateral for the debt instruments known as Federal Reserve Notes? It was given to the Federal Reserve by a corporation called the United States, the very same corporation that created the Federal Reserve. As discussed previously, in 1933, when President Roosevelt declared a national emergency because the United States could no longer pay its debts. At least that was the spin given to the American People. All of the subsidiary States agreed to support the declared bankruptcy by "pledging" the energy of their "citizens." Their assets consisted only of State Citizens. The States in turn used the Birth Certificates to pledge the State Citizen as collateral to keep Government afloat. That is how the American People became collateral for the Federal Reserve Notes and so-called debts. The American People became warehouse receipts, like a warehouse full of any type of valuable goods. All of this, however, was a major fraud. Neither the Internal Revenue Service nor any other entity like Government files a UCC-I Financing Statement Into the Commercial Registry with the Secretary of State. If they did, they would instantly become subject to all the regulations of the Uniform Commercial Code. The Internal Revenue Service has done very nicely by bluffing and intimidation, as all others mentioned, by operating under "Public Policy" where there is in reality "No Law" at all!

The State Citizen is drawn "into commerce" when their Birth Certificate is registered and sent to the Commerce Department in Washington, D.C. This is where the American People became warehouse receipts upon which all of the money printed and circulated is created and guaranteed. In short, the American People became the collateral for all debts. They "The People" allegedly are "Government" property!

Government is a "fiction" and an artificial person and deals with us as a fiction or artificial persons only as stated before. To take this still to another level, let's use an example to explain and use the name of John Henry: Smith. When John Henry: Smith was born, his parents gave

him the Christian name of John Henry and he shared the name of Smith with all the other members of his family. He was born a living, breathing being. When his Birth Certificate was sent to the Department of Commerce, it was registered and the Government, because it was bankrupt, turned his "real name" into a fiction. His new fictional name became JOHN H. SMITH or John H. Smith. His ALL-CAPITAL-LETTERS NAME was registered as a corporation at the Puerto Rico Department of State Corporations (Departamento de Estado - Division de Corporaciones) P.O. BOX 3271, SAN JUAN, PUERTO RICO, 00904-3271, making him liable for taxes. He is now a fiction or artificial person; a non-living, non-breathing "person." It is a "strawman" (Lat. stramineus homo) or "fiction" which government brings all its so-called charges against and NEVER against the real person. Just like "yours," his driver's license now reads JOHN H. SMITH or John H. Smith. When he signs a 1040 Tax Form, he dutifully fills out the form as John H. Smith and then signs his name "under penalty of perjury, " thereby admitting he will be responsible for all the taxes of John H. Smith, a fiction in law, corporation. Look at your drivers license and see who it is issued to. How can government use a form of our name and turn it into a fiction (corporation) without our permission? They can't, we sign our name to all of their forms, which is purely voluntary "permission-in-ignorance." In short, we do it to ourselves!

However, for those who wish to control and own this fiction and prohibit government corporations, including the Internal Revenue Service from making so-called charges against it, a remedy is available: to do this by executing a UCC- 1 Financing Statement! John Henry, Smith would simply do what Government and the Internal Revenue Service does not do: File your UCC-1 Financing Statement into the Commercial Registry with the Secretary of State and claim EVERYTHING related to JOHN H. SMITH or any derivative name, corporate fiction; i.e.: the Birth Certificate and Social Security Card and Number. The living, breathing, real person then owns and controls the fictitious entity, including all contracts related to the Birth Certificate and Social Security Number. Thusly, the real John H. Smith secures all rights, interest and title in the fictitious entity. Now, government and the Internal Revenue Service has to deal with John Henry: Smith but they cannot!, because he is no longer subject to government control.

Every living breathing person who has a Social Security Number *ALSO HAS* an Employer Identification Number (yes, there are exceptions). The Internal Revenue Service calls the Social Security Number our Taxpayer Identification Number (TIN). Never do they mention our Employer Identification Number (EIN). What, "you are not an employer, so how could you possibly have an EIN?" But you do! We are all employers and every one of us has an EIN. If you apply for a new Social Security Card (not a new number), on the backside of the card written In Red is your Employer Identification Number. Government workers are all employees. **EVERY SINGLE ONE OF THEM! GOVERNMENT EMPLOYEES WORK FOR US!, WE ARE THEIR EMPLOYER!**

That is why, when you read the Tax Code to find the definition of "employee," under Title 26 United States Code, at Section 3401(c), the term "employee" specifically includes officers and employees, whether elected or appointed, of the United States, a State (Federal State), Territory, or any other political subdivision thereof, or the District of Columbia, or any agency or instrumentality of any one or more of the foregoing. **EVERY ONE OF THEM ARE EMPLOYEES – WE, THE AMERICAN PEOPLE, ARE THE EMPLOYER.** Write to the Bureau of Vital Statistics in the Capital of the State where you were born and request a copy of your

Birth Certificate. REQUEST THE LONG FORM (Certified Copy). Never mind that you have a copy right now. More likely than not it came from the County in which you were born. The number assigned to your Birth Certificate by the Vital Statistics Office is of primary importance when executing your UCC-I Financing Statement.

### C. RELIEF FROM TAXES AND ALL OTHER COMMERCIAL OBLIGATIONS ARE AS SIMPLE AS A UCC-I FILING AND COMMERCIAL PROCESS AWAY!

What can filing a UCC-I Financing Statement do for you besides everything described thus far? Let's throw a few more examples onto the table to explain. As previously stated, the only real thing in the United States, is the American People. Corporations are fictions - DEAD ENTITIES! Let's use a fiction called GENERAL MOTORS for our explanation. Since the inception of GENERAL MOTORS which was originally created by another corporate fiction we call government, they have borrowed into existence countless billions of Federal Reserve Notes. Today GENERAL MOTORS proudly calls themselves one of the largest corporations (a fiction) in the world! It is taught that stockholders of GENERAL MOTORS "own" GENERAL MOTORS. The real truth is the American People own everything produced by GENERAL MOTORS - free and clear. Isn't it interesting this fiction charges us the American People for what already belongs to us - and then to add more insult to injury - they tack on a little interest to boot!

When Internal Revenue sends a letter or Notice to the fiction JOHN H. SMITH and says "Our records indicate you owe \$15,000.00," John Henry: Smith, who has filed a UCC-I Financing Statement now has multiple options as to how he chooses to deal with this matter. John Henry: Smith knows full well he must respond to the *PRESENTMENT* he's just received from Internal Revenue in a timely manner. Depending on the Notice or Presentment he's received he has either ten (10) days or thirty (30) days to respond. If he does not know what his time frame is to respond in is, to play it safe, it would be best for him to respond before the ten (10) days expires. John Henry: Smith knows that if he doesn't respond, after the allotted time.

If he fails to respond. Internal Revenue will enter a Default Judgment against him. Because he failed to object to the bill or ask any questions about it, having defaulted, the amount can lawfully be collected from him. John Henry: Smith also knows that you never argue the amount of deficiency in any tax case. If you are not required to file, you should not care whether they say you owe fifteen thousand dollars or one hundred and fifty thousand dollars. If you are not required to file, the amount doesn't matter. *You never argue the amount because that is a fact issue.*

The reason for this is, usually when you receive a Notice of Deficiency; it is for some unworldly amount. The Internal Revenue Service wants you to run in and argue about the amount. *The minute you say "I don't owe that much," you have just agreed that you owed something and conceded jurisdiction.* One of the proper methods is to immediately write the Internal Revenue Service a letter notifying them their Presentment is dishonored by you and you have reserved all rights under the Uniform Commercial Code at UCC 1-207. This normally should be all that is

required. If this doesn't make the matter disappear then John Henry: Smith can exercise option No. 2 and can "Accept the \$15,000.00 for Value" and the so-called debt is extinguished. Why? How Is that possible? **Because every "real" American has a corresponding offsetting "credit" for all debt claimed against his Strawman or fiction.**

Real folks all across America are filing UCC-I Financing Statements and ridding themselves of the debt and fraud of this beast system called by many as government and their created fictions. It has been established, "Lawyers and Attorneys have written well over Sixty Million Codes and Statutes to confound and confuse the American People and enslave them." None of these Codes or Statutes apply to any living, breathing, people who claim their heritage through what God has preserved. The fact that many Americans are filing UCC-I Financing Statements and commercially liberating themselves has caused major alarms to go off with Government and the CREDITORS. In an attempt to slow down this mass exodus, the Secretary of State's Offices after July 1, 2001, will accept no more signature filings. This means, if you, as a flesh and blood human being, have not filed your UCC-I Financing Statement before July 1 2001, your ability to remove yourself from that status of a DEBTOR with mere privileges to the status of a CREDITOR with enforceable Rights, is subject to become considerably more difficult to achieve. Therefore, he who hesitates, is lost - just as the old saying goes: "Snooze, you lose!"

After filing your UCC-I Financing Statement, it can be used by the real person to obtain what is known as a "Security Interest" in the fiction (aka Strawman) whom the Internal Revenue Service uses to force, intimidate, threaten and compel the real flesh and blood person to pay what are called taxes. Under the Uniform Commercial Code, a Financing Statement is used under Article IX to reflect a Public Record that there is a Security Interest or claim to the goods in question to secure a debt. The Financing Statement is filed by the Security Holder (real person) with the Secretary of State, or similar public body, and as a result becomes Public Record. As a party with ownership of the fiction or (Strawman), you become the Secured Party with ALL RIGHTS, INTEREST, AND TITLE in the fiction's Birth Certificate, Social Security Number, Driver's License, Automobile, Certificates of Title, Credit Cards, Loans, Property, Taxes, etc., etc.!

So what did it cost the moneychangers to enslave the American People? Nothing! The same is true for freedom; "For thus saith the Lord, Ye have sold yourselves for naught (nothing), and ye shall be redeemed without money." Isaiah 52nd Chapter, 4th verse 1.

#### 1) BAIT and SWITCH vs. CONTRACT ACCEPTANCE

Every contract consists of both an offer and acceptance. In every contract there is an Offeror and Acceptor. The offer being the tale and the acceptor the head. Under contract law, title to whatever is offered transfers instantaneously upon acceptance, not upon payment like many seem to think. Payment, a consideration, is merely incidental. Attorney's and Lawyers who write every contract used by corporations, including Government Corporations, know that the acceptor of the contract is in charge or what is known as the Holder in Due Course. Holder in Due Course is defined as: "Title Holder of the contract." Thus, whenever you see any advertisement in the paper by a New Car Dealer offering you a new car at a certain price, and you're attracted by what is offered, you run right down to the car dealer and without knowing it become the victim of the oldest game of bait and switch in existence! Here is how the real shakedown works: After

you settle on the car with all its options and the price with the dealership, you then sign your name to a contract, which in doing so, makes you the Offeror and the dealership the acceptor of that offer. It works the same identical way in every retail sale in the country, including Real Estate. You lose, because the seller is the Holder of the contract and in charge. That is the reason why you only get a carbon or photocopy of the contract. They keep the original contract and original signatures and obediently enter the property into commerce as the lawyers intended. It is a diabolical scheme! Whenever a Government Corporation sends you a letter, indictment or anything else charging that you violated some statute or code or that you owe some sort of tax or fine, think of that as an offer by the Government. For example: let's say you receive a bill for property taxes. This is an offer by the tax office just like the new car dealer. There are several options that you have when you get the bill. The number one option which most people take is to write out a check for the amount due. A check of course, is a debt instrument. Thus you are making a counter-offer to the tax collector, which they of course will accept, but the debt HAS NOT been extinguished. It is simply added to the PUBLIC DEBT. Once again, you have become the victim of a bait and switch!

Let's use the same example as we've previously discussed and this time, let's use a different tactic. Remember that the acceptor is in charge. This time let's simply accept the "tax bill" for Value with the "right of chargeback." When you examine your property tax bill, you find out it is made out to a name (purportedly yours) in all capital letters. Which as you've already discovered is not you! It is a fiction created by the government. If you've done your homework, you've obtained a certified copy of your Birth Certificate from the Bureau of Vital Statistics in the State where you were born and have filed your UCC-1 Financing Statement. NOW YOU OWN ALL RIGHTS, TITLE AND INTEREST IN THAT ALL CAPITAL LETTER NAME CHARACTER, INCLUDING ALL CONTRACTS, MORTGAGES AND PLEDGES. YOU'RE NOW IN CHARGE OF ANYTHING YOU WANT TO DO WITH THE FICTION.

It works the same way with Internal Revenue Service. They send the fiction a "tax bill" for \$20,000.00. You as the owner of the fiction, Accept their presentment for Value, place a value of \$20,000,000.00, for example on it and notify whoever sent you the presentment that you now want a copy of their fiduciary tax return. You can request this because all of the money created uses your credit/labor as collateral. The amount you use is up to you. Only you can personally determine what value to place upon this trespass and violation of your property.

## 2) ADVANTAGES OF UTILIZING THE "AFFIDAVIT DENYING EXISTENCE OF CORPORATION!"

The words "Specific Negative Averment" which is what an "Affidavit Denying Existence of Corporation" really amounts to are taken verbatim out of Rule 9(a) of the Federal Rules of Civil Procedure, which in the Rule provides and describes exactly how to challenge corporate existence solvency, and capacity to sue and be sued.

The term "Averment" comes from the root word "aver": to declare or assert; to set out distinctly and formally; to allege. An averment is a positive declaration or affirmation of fact, especially an allegation. It is submitted in the form of an affidavit so as to invoke the superior credibility and power that comes with having unlimited commercial liability. As an honest, forthright,

conscientious, sentient being you have nothing to hide or fear and so can state your position openly and fully by affidavit. Others with hidden agendas and skeletons in the closet need to hide behind their corporate mothers' skirts of only limited liability. They are too terrified of being held personally accountable for anything to step up to the commercial plate and swear out an affidavit stating anything.

Executing the "Affidavit Denying Existence of Corporation" requires the receiving/served party to respond by affidavit, both written in longhand in red ink and notarized in red ink and sent to you via the Notary Public, and further requires that they prove:

a) All of the various fictitious, non-existent, undefined assemblages of all-capital-letters, e.g. "INTERNAL REVENUE SERVICE," etc. legally exist, i.e. are solvent, have standing in law, and can be present in a court; and

b) Each has a proven contractual nexus with all the others, including the artificial person represented by the corrupted, all-capital-letter version of your true name.

Failure to accomplish the above in the manner prescribed in the affidavit establishes on the record his/her/their confession and consent of judgment that none of those entities exist. That there is no enforceable contract. You are not required to become involved in an imaginary dispute between non-existent entities!

It is crucial to realize, that the only way we can survive as a civilization is to cause truth to prevail. If history be our teacher, since it is so often stated: "History repeats itself and those who fail to learn from History, are doomed to repeat it," is forever present. Any society functioning on lies, i.e. data contrary to the way things actually are and function, will fail. As it is, mankind on this planet is hell bent for dissolution and disappearance as a living species. This is no exaggeration. When thoughts, words, and deeds of billions of people are increasingly wrong, erroneous, and false, the natural cause/effect consequences of such futile efforts to violate the laws of existence self-function to assert their own integrity. All that is false and contrary to the truth of man's basic nature and the nature of life eventually self-destructs as a consequence.

Establishing truth in situations requires exposing the actual nature of everything that is proffered. The entire system thrives and ravages the world because people accept the surface appearance of things at face value without looking for the underlying cause and exposing the truth of the matter so it can be recognized and understood. Reality's game is "truth or consequences." The consequence of acting contrary to truth begets ruin

It is therefore essential to neutralize both of the ways people are damaged by the systematic war being waged against them by their so-called "Public Servants": the commercial process and the "legitimacy" in the Law of Nations of War as a valid activity of nation States.

In certain circumstances, in compliment and simultaneously with the Affidavit Denying existence of Corporation, the "Accepted For Value" UCC Commercial Process and whatever other affidavits might be deployed, the "Affidavit Denying Existence of Corporation" is essential

to neutralize the commercial aspect of the war, and the Affidavit, "Bill of Peace" is used to expose the naked aggression of the systematic war being waged under color of law.

Anyone who wants to deal with you who will "NOT COME CLEAN" and be honest, sincere, and well intentioned, is self-confessing to be:

a) Disregarding the truth and acting on lies, deceit, bad faith, and absence of full disclosure, and thereby announcing to you by their actions (and failures to act) that they are an aggressor, criminal con artist with no authority, and an enemy. Since no contract can be formed without genuine agreement - free consent and mutual meeting of the minds based on full disclosure, good faith, and truth no contract can result from your interaction with them other than the criminal contract formed unilaterally by them via their assault upon you. This further voids all and every basis upon which to require you to do anything they say or to have anything to do with them.

b) Acting on their own, with no legitimate authority whatsoever, and are therefore personally\_liable\_in unlimited-commercial-liability capacity, i.e. NAKED!

Upon your opponents failure to answer or rebut your Affidavit of Specific Negative Averment and Execute your Bill of Peace a Notice of Default and Stipulation is thereby executed, served upon them and recorded in the Public Record.

### 3) ACCEPTANCE FOR VALUE?

Once the "real, live, flesh and blood- Individual has filed a UCC-I Financing Statement with Security Agreement in place and taking "all rights, title and interest" in the ALL-CAPITAL-LETTERS FICTION, ASSEMBLAGE, ARTIFICIAL PERSON (that very so-called name may be spelled with a first name, middle initial and last name) or "Strawman/Woman" when a "person (agency or other public or private corporation)" submits a letter or form suggesting that you (when its really the fiction) are being charged with a debt, taxes or whatever, a personalized letter is sent to the person who signed the letter or form or a person responsible for the letter or form being sent to the fiction.

That letter explains that you (the real deal) "Accept the Charge for Value." This basically tells them you hold title to the FICTION and anything .connected to the FICTION, it gives them NOTICE that they have committed a "Trespass against your property ... Your Rights!" It sets in stone that you are "the Holder-in-Due-Course." This is a banking/securities term and requires a quick refresher definition:

“In every contract there must be an offer, acceptance and a consideration. Corporations specialize in bait-and-switch tactics to protect themselves in every contractual arrangement. Such as, when you see a home you like, the real estate agency may have "offered" the home for sale through various advertisements. This is an offer. You look at the home and like it and the price is right. You tell the real estate agent "Yes, I'll take it ! "At that point you have become the acceptor of the contract and of course the home and price is the consideration. From a legal standpoint, this contract Is completed. The offer, acceptance and consideration are completed right then. The acceptor is the 'one "in charge." That at the moment, could be you. Then comes the old switch-a-

roo! Now is when the bait-and-switch goes down. The real estate agent (unwittingly, as though ignorance of the law is any excuse or defense) then requires you to fill out a FORM in which you make an Offer and They the Seller become the Acceptor! The bait and switch is complete. That simple. You have now "voluntarily" become a DEBTOR - "forever," even if you paid cash for the place or latter pay of the mortgage. Why? Why can't you pay it off? YOU CANNOT EXTINGUISH DEBTS WITH A DEBT INSTRUMENT (I.e. FEDERAL RESERVE NOTES)! - <[Debt + Debt ? Debt; Credit + Credit ? Credit, neither satisfy or cancel the obligation of payment and do not constitute payment!]&Mac221;-."

You have voluntarily made someone else the Holder in Due Course of the property. They accepted the instrument (contract) FOR VALUE. They now own the property. "All parts of the contract, including the deed are now "recorded in the property records. Look at your deed. It will have the, "FICTIONS" written in all capital letters. All we really do is add to the so-called National Debt whenever you-pay those taxes and make that counteroffer, with the debt, however, not changing and remaining the same whenever you purchase anything in this manner. So when you receive a Notice of Property-taxes on your home, the taxing authority is really making you an "offer." When you pay the taxes you are inking a counter-offer, because your payment will not extinguish the debt or cancel it out. They will accept your counter-offer, however, but the debt will still be there.

By the way, the Notice of Property Tax due will be made out to your FICTION! Keep these things in mind when you purchase 'a home, land, auto, "etc. You make the contract.! Make the seller the Offeror and yourself (the real person with your; name spelled correctly) the acceptor of the offer. This puts you officially in charge! Make gold and/or silver a part of the consideration to extinguish the debt. You will be the Holder in Due Course. YOU keep the original contract and give the Offeror a copy. Do not record-the contract unless you want to give up the allodial title to the property. Recordings is not required and the original, contract by itself is all you need to prove and establish ownership.

Now with this explanation covered, lets move to the person who wrote the letter charging that you owed something. After filing the UCC-1 Financing Statement and acquiring a Certified copy of it with Security Agreement, you are now the Holder in Due Course of the property known as the FICTION or (Strawman) and any contract associated with him or her! Think of the letter as an OFFER and rather than making a counter-offer by paying, you now Accept the offer for Value. By Accepting' for Value, you are saying, "I am the Holder in Due Course" and ... because you have become the ACCEPTOR of the offer, guess Who is in charge? You are in charge and the Offeror has trespassed upon you and your PROPERTY! As the Secured Party or owner of the PROPERTY and Holder in Due Course, you now can set a value on the trespass. So if the Offeror has made the charge that your PROPERTY owes \$25,000.00, you can Accept the offer For Value and set a value on it literally for any amount you choose! For discussion purposes, let's put a value on it for \$250,000.00. You are going to tell this person to charge the \$250,000.00, to your Personal Treasury Account and provide your Employer Identification number for the Account Number to be charged. This will be directed to the Secretary of the Treasury in Washington, D.C. The person has three days in under the Truth-in-Lending-Act to do what has been ordered. In addition, you are going to request that this person send you his/her Fiduciary Tax Return, which would show they have filed and paid taxes on the \$250,000.00.

They won't respond, so ten (10) days later you send a Second Request and at the same time send a letter and a Non-Negotiable Bill of Exchange ordering the Secretary to "Charge Back" the \$250,000.00, in which the Secretary will be directed to credit the "other side" of his ledger for use by the Republic. When enough folks do this Re-Public – credits will eventually be in excess of the Public Sides Debits!

All of this is done in accordance with Uniform Commercial Code, UCC-3-419 and the Non-Negotiable Bill of Exchange In accord with House Joint Resolution (HJR-192) and will discharge the Public Debt.

The Secretary of the Treasury also only has three (3) days to complete his side of this Order. For he also is required to operate within the Banking Regulation Z, 72 Hour period regulation guideline governing retail agreements, as codified at: 15 U.S.C. §§ 1601 et seq. Basically you are done. By Accepting everything the (government or any corporation) brings your way for Value - there is no argument - no fight.

Remember everything is a "charge" from every Government corporation or so called private corporation. A "Charge" is basically to IMPOSE a burden, duty, obligation, or lien.

In criminal law, to "charge" is to indict or formally accuse. Everything centers around a DEBTOR being charged and the CREDITOR making the accusation. To IMPOSE means to levy 'or exact, to lay as a burden, tax, duty or charge. Remember that ALL CHARGES are brought forth against a FICTION and if you (the real deal) owns all rights, title and interest in the FICTION, ALL CHARGES CAN BE DISCHARGED by you, the real person, on the other side of being "charged," which is all a court of equity can do (all courts are courts of equity - bankruptcy), is to make a "claim." A claim means a demand as one's own or as one's right. A FICTION, i.e., a public or private corporation, cannot make a claim against a real person. Only a real person can make a claim against a real person Corporations are FICTIONS and have no right to make claims.

# Leaving the Matrix – SOVEREIGNTY

Okay. You have some foundation and hopefully, this information fell into “fertile soil” of the mind. In order, to simplify all that you have read, all you may have heard, and/or watched let’s cut to the chase. How do we get out of this matrix that these evil elements have maneuvered us into?

You should now have a simple and basic understanding of the UCC-1 and the remedy. So, let’s start the process of getting you out of the system. Please keep in mind that this process will dramatically change your entire life, *so start with a changed perspective*. You are a living, breathing, soul filled being! You are the divine creation and are the Sovereign in this country. No President, government agent, senator, congressman, judge, cop, etc., has ANY AUTHORITY over you as the Sovereign! So, let’s let them know that you know what they have been hiding from you.

A series of documents will need to be completed in a specific manner and subsequently forwarded to specific parties via specific means. Attention to every minute detail will make the difference of whether or not your process is completed without unnecessary encumbrance. So, please pay close attention.

Although some of this may seem laborious, maybe even a little slow, it is important for you to have clear in your mind some basics. To that end, I will provide examples and simple definitions that will help you complete the paperwork, so that you can complete this process entirely on your own. If you need assistance, of course, we make that available. So, onward we go....

CORPORATE NAME/FICTION: This is the name that was created from your Certificate of Live Birth (Birth Certificate) for you as a corporate entity. It appears on presentments, such as ID’s, bills, certificates, licenses, and the like. This is the name of the DEBTOR. Here are some examples:

JOHN WILLIAM SMITH            DAVID RONALD TYSON, JR.

REBECCA AMY WILLIAMS

LIVING PERSON NAME: This is your name as it needs to be presented to these yo-yo’s as the Secured Party and Sovereign:

John-William: Smith            David-Ronald, Jr.: Tyson

Rebecca-Amy: Williams

Practice and get used to this presentation of your name so that it becomes second nature. Reprogram your computer (your mind)!

The attached packet has all of the documents, their descriptions, and the process for completing everything required for you to become Sovereign! Follow every step and complete every page as presented with your relevant information.

Many hours of research and experience have gone into refining this process, so bear this in mind as you proceed! You are to be the beneficiary of hundreds of peoples hard work and effort. So, just paint by numbers.

# Your Reality controls Fiction

Once you have gained your Sovereignty you will find that there are laws that apply to the Sovereign and ones that don't. As a Sovereign, you are under the jurisdiction of the Constitution and the Law of God. You no longer serve the "authorities" that have previously lorded over you.

I would say that if you look at this like the game of "Monopoly". Most of us have either played or observed the game or both. If we take a look at the dynamics of this scenario it will become a little more clear and hopefully, easier for you to understand how to play to win.

In order to participate in the game you must first have a "license" to play. In the game of "Monopoly" you need a token. We either select the race car, the thimble, the boot, or what have you. By accepting the token you have also agreed to abide by the rules set in the game. Everyone is then issued the predetermined amount of currency in various denominations and we then begin rolling the dice and going around the board, waiting for our turn and strategizing how best to succeed in the game.

Keep in mind that as long as things are not going bad for us in the game, the game is fun to play. When we suffer the wrath of the various pitfalls of the game, getting sent to "jail", drawing a card that says that we owe extra "taxes", or have to pay rent on a property that has a "Hotel", and our precious paper currency begins to dwindle the game starts to "suck". Why?

Because we don't like to lose? WRONG! Because we are at the mercy of the "dice", rules, and "players" who don't seem to give a care about our plight! We have gotten emotionally involved in a game that is nothing more than a game. It is not life...It is not really us that endures the good or the bad in the game. It is simply the experience of our token! The token has no reaction to anything! You, as the living soul can get up and walk away at any point and time that you choose. No matter how hard you wish or try, you can NEVER become the token. You are only the supervisor of the token. This is a very important distinction to make. You are Sovereign and the token is at the mercy of the game, but more importantly, the token is at YOUR MERCY.

Throughout the entire playing of the game you have had complete control over your token. You could have thrown the token into the trash, melted it...or whatever YOU CHOOSE! That would also lead us to conclude that if you want to continue or not continue to play the game that is also the Sovereign's choice. *We choose* to subject ourselves to the rules of the game and the game itself. **WE ARE NOT VICTIMS!**

Guess what? That is the same for this life. A few people have gotten together and structured a “game” which we have been playing without our knowledge. It’s just like “Monopoly” in very many ways. We believe, like in the game, we can have a plan for success or for the sheer enjoyment of the game, but the “roll of the dice” can change things without rhyme or reason.

How many people have we seen that have suffered from the negative effects of the game that these few evil folks have contrived and we have unwittingly been playing? I am referring to people that have suffered from stress related illnesses, heart attacks, strokes, depression, divorces, violence, drug abuse, and even suicides! The contrived game which we live through is much worse than most could begin to even imagine. The people that run this game want us all to accept without question that we are our token, the corporate fiction they created for us, and that we are at the mercy of the whims of the game!

Well, we already know the history. We know that “they” did this and how “they” did it. Now, as you have notified them you are aware that you are Sovereign and not the token they created, you can begin to rethink your relationship with your token and the game and use this to your advantage.

There are several key processes that can help you win the game. Don’t completely walk away from the game. Just, play to win!!

There are processes like Acceptance for Value (A4V), Administrative Process, the “Black Debit Card”, land patents, etc. that provide a Sovereign remedy to situations within the game. Unfortunately, I do not have the time to address this all here. This is just the intro...Sovereignty 101, if you will. You will want the freedom and peace that these processes make available to the Sovereign.

In closing, I would like to state that I humble myself in honor of the men and women who have strived and fought to defend and bring forth these simple truths to us all.

Stay tuned for the sequel – CHECKMATE – HOW THE SOVEREIGN WINS THE GAME!
