6/16/2009	Response to MLS filed by Ryan PC for Debtor	
8/6/09	Prelim hearing on MLS	At hearing Ryan stated Movant's Note and endorsement were false because the loan had been securitized. Respondent acted like this was false and failed to admit it was true.
8/15/09	Debtor serves discovery upon Movant	
8/27/09	Objection to Plan filed by Pite Duncan	
9/1/09	Amended Response to MLS filed by Debtor	Debtor's exhibits were attached hereto
9/1/09	Debtor Motion to excuse conduit for good cause	
9/1/09	Movant's declaration, affidavits, exhibits and list thereof filed	

¹ Can't be done by Pite Duncan or GMAC, because only investors have authority to settle claim on loan.

9/3/09	Hearing on MLS	Continued by Debtor's motion because discovery is owed Debtor
9/11/09	GMAC through Pite Duncan admits for the first time that they don't really own the Note but are the servicer.	See email. They had to admit it because of discovery. Otherwise the Court would never have known AND there have been 100s or 1000s of fraudulent MLS and foreclosures in this Court over the past several years.
9/11/09	Debtor files list of exhibits and witnesses, expert witness declaration and additional exhibits	
9/13/09	Debtor's amended plan taking real estate outside of plan so confirmation can occur while litigation is ongoing	
9/22/09	Gerald K. Smith of Gerald K Smith and John C Smith Law Office substitutes behalf of GMAC Mortgage, LLC	11 days after GMAC was forced because of discovery that it had been misleading Debtor and the Court as to true owner of note (see notes on 8/6/09 above)
9/23/09	Affidavit of personal service of Subpoena for records upon MERS	
10/1/09	Objection to Confirmation of Debtor's Amended Chapter 13 Plan filed by Yaron Shaham of Wolfe & Wyman LLP on behalf of GMAC Mortgage, LLC	What happened to Smith?
